

Mango Tree Café

Design Studio **A Work of Substance**
 Creative Director **Maxime Dautresme**
 Photographer **Vita Mak**
 Client **1957 & Co. Restaurant Group**

On the walls of the Mango Tree Café, a cultural snapshot of Thailand's street life: one of overloaded humans who magically resemble an enchanted forest, melding a fierce jungle setting with provincial life on a busy Thai street. Classic Thailand with a contemporary twist, creating an innovative vibe with a familiar background that sets the scene for the novel menu—authentic Thai meets Western cuisine—that invites all to experience its quirky fun.
